

VVA Chapter 207

Westport, Massachusetts 02790

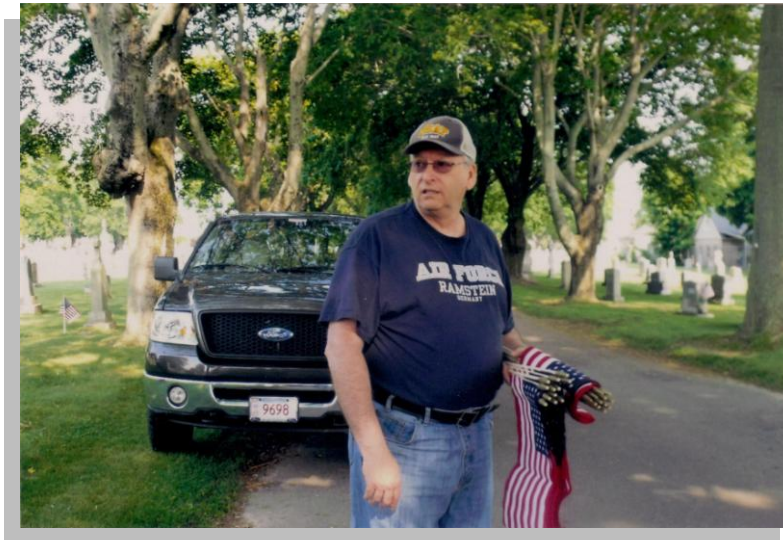

Chapter 207 did its annual flagging of Notre Dame Cemetery here in Fall River for Memorial Day to honor those that have gone before us. We put about 3,000 flags with the help of some volunteers who help out each year placing flags on the graves of Veterans. We started around 8:00AM and finished up around 12 noon.

Notre Dame Cemetery, Fall River Massachusetts
